

Copyright Transfer & Disclosure Form

Date:

This Form is executed by:

_____ (hereinafter referred to as "Author")

in favour of UNIVERSITI SAINS MALAYSIA, by its representative PENERBIT UNIVERSITI SAINS MALAYSIA, of D34, Penerbit USM, 11800 USM Pulau Pinang, Malaysia (hereinafter referred to as "PENERBIT USM").

The USM PENERBIT shall undertake the publication of the Author(s)' work tentatively entitled:

_____ (the "Contribution")

with the following co-authors (where applicable):

1. _____
2. _____
3. _____
4. _____
5. _____

in its publication:

_____ (the "Publication")

The Author as the undersigned individual(s), shall retain copyright to the Contribution as the rightful Author(s) and the Author(s) hereby grant PENERBIT USM, as the exclusive publisher of the Contribution, with the rights, conditions and terms as detailed in this Form.

Both parties acknowledge that this mutual understanding and agreement may not be able to contemplate all possible licensing arrangements, technologies or future developments, and therefore both parties agree to cooperate in good faith to achieve the mutual goals of maximizing dissemination of the Author's Contribution while ensuring the sustainability of scholarly publishing.

THE PARTIES HEREBY AGREE ON THE FOLLOWING TERMS AND CONDITIONS OF THE PUBLICATION;

1. Copyright License.

The Author(s) grants to PENERBIT USM, a worldwide, royalty-free and exclusive license to:

- (a) reproduce, publicly display, publicly perform and distribute the Contribution in the Publication;
- (b) authorize third party users of the Publication in electronic or digital (or other intangible) form to download and print out copies of the Contribution for their personal or internal institutional use;
- (c) authorize others to reproduce, publicly display, publicly perform and distribute the Contribution as part of the Publication through any distribution channels and in any media or format through which PENERBIT USM may distribute or make available substantially all the contents of the Publication; and
- (d) deposit with or otherwise make the Contribution available to digital repositories as required by THE Author's funding sources upon the Author's request.

The above rights may be exercised in all media and formats, whether now known or hereafter devised, [and in all languages] in which the Publication as a whole (or substantially all its contents) may be distributed, whether or not the Contribution may be individually or partially accessed or retrieved. The above rights include the right to edit [and translate] the Contribution and to make such modifications as are technically necessary or desirable to exercise these rights in differing media and formats.

2. Exclusive rights.

The Author(s) grants to PENERBIT USM the worldwide, royalty-free, exclusive right to first publish the Contribution and the Author(s) agrees not to publish or authorize any third party to publish the Contribution in any [language,] media or format, except as mutually agreed between the parties at later stage.

PENERBIT USM will: (i) effectively manage, publish, and make the Contribution available to the academic community and beyond; (ii) handle reuse request on behalf of the Author(s); (iii) take action when appropriate where the Contribution has been infringed or plagiarized; and (iv) increase visibility of the Contribution through third parties.

3. Editing.

PENERBIT USM shall make no material modification to the content of the Contribution without the Author's consent. However, in the event the Author(s) fails to return the edited manuscript or proofs of the Contribution by the reasonable deadline set by PENERBIT USM, the Author(s) will be deemed to have consented to that modified version.

4. Credit.

PENERBIT USM agrees to make commercially reasonable efforts to include (and require its sublicensees to include) appropriate credit to the author(s) in customary placement with every copy or use of the Contribution as described in Sections 1 and 2 hereof.

5. Complimentary copies.

PENERBIT USM will provide the Author(s) with a pdf file (i.e., an Adobe Acrobat Portable Document Format (.pdf), with the security settings set at "no security") or similar electronic file corresponding to the Contribution as it appeared in the Publication. Following first publication of the Contribution in the Publication, in every instance in which the Author(s) or others authorized by the Author(s) republish the Contribution as it appeared in the Publication (whether as a .pdf or otherwise), or substantial portions thereof, or modified versions of the Contribution, the Author(s) agree to include attribution to the following effect:

"This article [*or, if applicable: Portions of this article*] first appeared in the [*issue date*] issue of [*publication name*] published by [*publisher name*]", and to accurately distinguish any modified version of the Contribution from that published by PENERBIT USM."

6. Warranties.

The Author(s) warrants that (i) the Author(s) is the creator and author of the Contribution or otherwise have the rights necessary to grant the licenses granted to PENERBIT USM herein; and (ii) the Contribution is original and contains no material that infringes or violates any intellectual property or contractual rights of others or that constitutes defamation or invasion of privacy. The foregoing warranties apply only to the Contribution in the form submitted by the Author(s) to PENERBIT USM, and not to any modifications or additions made by PENERBIT USM, reviewers or other third parties.

7. Termination.

If PENERBIT USM does not publish the Contribution in the Publication within twelve (12) months following submission of the Contribution, extended to the extent of any delays caused by the Author(s) if any, the Author(s) may terminate this agreement and the rights granted to PENERBIT USM hereunder by providing PENERBIT USM with written notice of termination of thirty (30) days, unless PENERBIT USM guarantees that PENERBIT USM shall publish the Contribution within three (3) months following receipt of such notice. Such termination of this agreement will be at the Author's exclusive and sole remedy for any failure by PENERBIT USM to publish the Contribution.

8. Reservation of rights.

Except for the express rights and licenses granted above, the Author(s) retains all rights, title, and interest in and to the Contribution.

9. Miscellaneous.

This agreement contains the entire understanding of the parties and will be governed by the laws of Malaysia. This agreement can only be modified by an agreement in writing signed by the parties. This agreement may be executed in one or more counterparts (including, without limitation, by facsimile or .pdf signature) each of which will be deemed an original and all of which will be taken together and deemed to be one instrument. PENERBIT USM may assign this agreement in connection with a sale of the Publication or a sale, merger or reorganization of PENERBIT USM.

If the foregoing terms are acceptable, please sign and date this agreement. Corresponding Author may sign the form on behalf of all Authors. Please return the original to PENERBIT USM within seven days and retain a copy for the Author's records.

IN WITNESS WHEREOF the Author(s) hereto executed this Form on the day and year first above written.
